**550<sup>th</sup> Celebration of Birthday Celebration of Gurunank**  
**Dev Ji: A cultural Meet**

Gurpurab is a celebration based on the lives of the Sikh gurus. It is also known as GURU'S REMEMBRANCE DAY. The Gurus practiced what they taught. They preached their followers the sweetness of humility, modesty, compassion, the necessity of bravery, freedom and justice. According to the Sikh belief, people do meditation and perform noble deeds and then pray to God for His benevolence and charity. Guru Nanak Dev Ji, the founder of Sikh religion, led the humanitarian approach forward by asking the devotees to tread on the path of three attributes namely- 'KIRT KARO', NAAM JAPO' & 'VAND CHAKO'. Both meditation and noble deeds are a prerequisite of an ideal life.

Narula Institute of Technology celebrates the 550th birth anniversary of the first Sikh Guru, Guru Nanak dev ji today on 11th November, 2019 at the campus along with all the faculty, staff members and the students. The celebration aims to create a sense of belongingness and to create a secular atmosphere in the campus.

Kirtan and Shabad were sung linking everyone present with one God-the Wahe Guru followed by Ardaas or prayer to Waheguru for his protection and care, a plea for the welfare and prosperity of all mankind and distribution of Kada Prasad to everyone. A live portrait of Shri Nanak ji was also drawn by a student.

Our students also served Guru Ka Langar to all and everyone ate the same food irrespective of their caste or creed. It is usually distributed as a selfless service to humanity keeping the adage 'SARBAT DA BHALA' in mind, obeisance to Almighty is offered before serving langar.

May the Almighty bless all with good health, peace and prosperity. Sab Nu Gurupurab diyaa Lakh Lakh Vadhaiyaan!!

# MOTHER'S DAY CELEBRATION

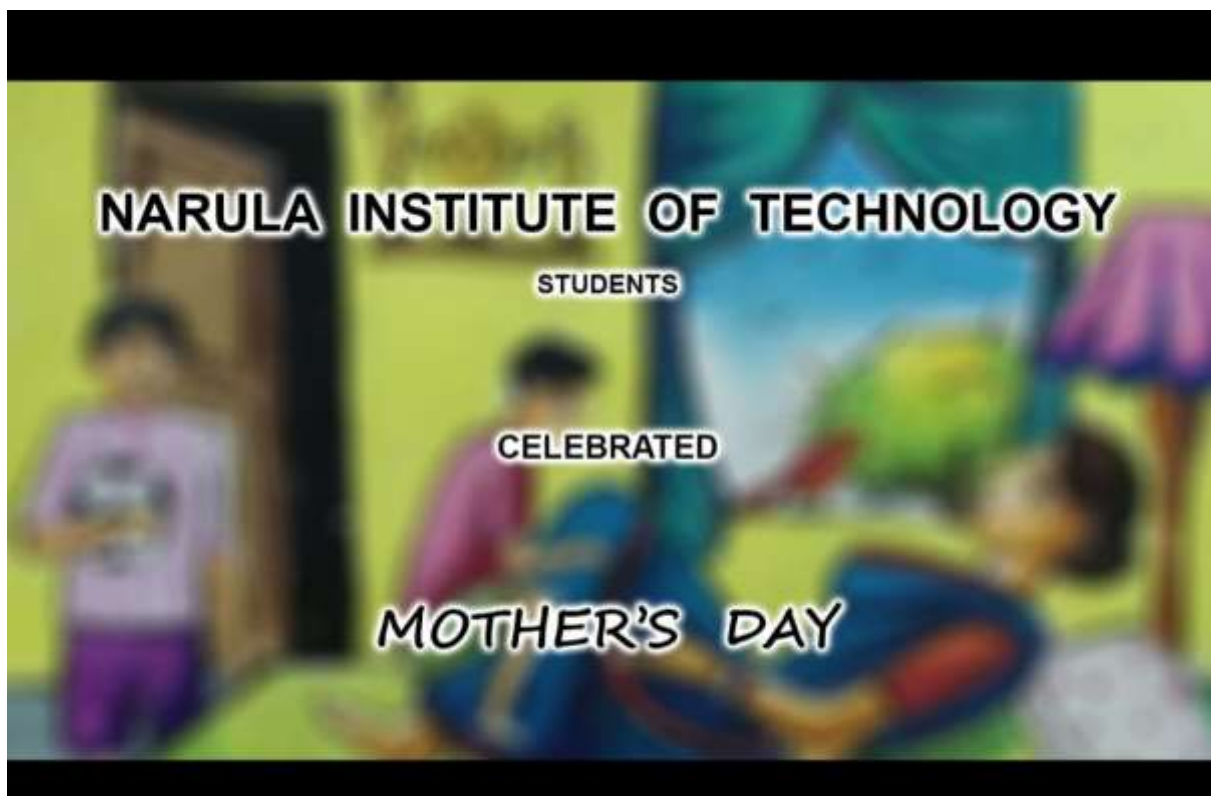

**Date: 10<sup>th</sup> May 2020**

Mother's day celebrates the essence of a mother. People across regions, religions, castes, cultures, genders and financial status have emotions binding them to their mothers. There could not be a more universal celebration than this one.

With the nationwide lockdown in place due to the Covid-19 pandemic, this virtual farewell let us acknowledge our memories and talk about things. This might not have happened at the actual farewell since there is very little time and people are mostly engrossed in clicking photographs and scribbling on each other's shirts. Though it cannot be compared to a regular farewell but it did cheer us up during this trying time and also made us treasure the countless memories of college life, a mixed feeling of sorrow and happiness.

## **International Yoga Day**

**Date: 21<sup>st</sup> June 2020**

The ancient Indians believed that our body is a temple. They practiced yoga as a means of celebrating and maintaining the body and the mind. Yoga is an ancient physical, mental and spiritual practice that has its roots in India.

The word YOGA means to add - practicing ASANAS adds positive quality to our mental and physical existence.

To celebrate the day of mental peace and good health 21st June is celebrated as an INTERNATIONAL YOGA DAY and we, the students, faculty and staff members of Narula Institute of Technology, celebrate this day each year with great gusto.

The year 2020 has been challenging in many aspects, caused by the sudden onset of COVID-19 pandemic. As a result of on-going national lockdown, the usual Yoga day celebrations had to be re-imagined and refashioned by the NSS Committee of Narula Institute of Technology. We encouraged our students to practice Yogasanas within the safe confinement of their homes and photograph their postures. These were then widely circulated among everybody to raise awareness and promote practicing of this beneficial habit. The response from the students was overwhelming, as we received more than a hundred pictures and videos documenting yogasana postures. It is a privilege to know our next generation is keenly aware of this more than one-thousand-year old practice

which is both part of our tradition and heritage. The overall response made Yoga day no less a success and the significance of the day was upheld in good light.
